

Zimbabwe ccl components

At CCL, we stock the grid-tied and hybrid (storage) inverters for single and three phase, ranging from the 0.7kW MINI to the 110kW PRO. The hybrid inverters are suitable for residential and commercial storage and are compatible with major battery manufacturers worldwide.

From designing and manufacturing a range of interior automotive products to complex, functional components for the consumer market, CCL Design Glasgow works with customers across the world. For further information on our products visit our Intelligent Decorative Technologies page. Job Vacancies.

Browse a great selection of Solar Mounting Systems for PV Modules here at CCL. We stock great brands such as Genius Roof Solutions, Renusol, Schletter, Van der Valk Systems & more. A high quality mounting system is essential. There's no point in investing in the best PV modules only to have the mounting system let you down.
